Dedication

We, the Seniors of 1952, dedicate our annual to our parents who have so willingly helped us through our twelve years of school.

We hope this dedication will convey, in part our appreciation for their financial generosity, unwavering patience, and never ceasing faith in each of us.

Without their intense interest in our scholastic activities during these past twelve years, our eventual goal could not have been reached.

Class History

We started on our journey through school, September 2, 1940 with Miss Valborg Hanson as our conductor. The group consisted of twenty members: James Anderson, Lorin Kveseth, Richard Mathison, Lester Mogen, Robert Purvis, Wilbur Tobiason, Ronald Waller, Gregory Wallander, Josef Wustner, Emma Lue Grovom, Irene Hanson, Luella Knick, Irene Larson, Norma Lien, Norma Jean Mogen, Ruth Nayes, Rosemary Nelson, Iola Westberg, Meredith Wulf, and Clariss Ann Grovom.

As we went on into the second grade, Miss Hanson gave her position as conductor to Miss Marguerite Cassidy. That year we lost Lorin Kveseth, Lester Mogen, Wilbur Tobiason, and Emma Lue Grovom who remained in the first grade. George Tipp, Helen Schlagel, and Della Ruland joined us. Later in the year Della Ruland, Ronald Waller, Josef Wustner decided there were too many twists in the track and transferred to other schools.

Miss Phyllis Ellingson, who was our conductor for the third year took a check of her passengers and found that Jimmy Anderson, Bob Becker, Jimmy Grovom, Richard Mathison, Stanley Johnson, Jimmy Paulson, Dick Portra, Bob Purvis, Greg Wallander, Harold Grovom, Irene Hanson, Irene Larson, Norma Lien, Norma Jean Mogen, Ruth Nayes, Rosemary Nelson, Luella Knick, Iola Westberg and Meredith Wulf were present.

Miss Phyllis Ellingson started us on our way in the fourth year but after December first, Leona M. Miller took over. That year we found newcomers to be; Helen Schlagel, Clariss Grovom, Eugene Olsen, and George Tipp, and the ones missing were Dick Portra and Bob Purvis. Later in the year Stanley Johnson transferred to another school.

At Grand Central Station we picked up Larry Lindberg and left Eugene Olsen there. Our conductor for the fifth grade was Mrs. Zora Rohrenbach.

As we progressed into our sixth year of traveling, Mrs. Virginia Neilson, our conductor, had to add three more cars to the train in order to make room for our extra passengers--Clarence Hekkel, Donald Baker and Dolly Urdahl. Richard Mathison transferred to Greenbush, Minnesota, at the end of the first semester.

As we rolled on into the seventh grade the train left some passengers and gained one. Those we left were: Greg Wallander, Donald Baker, and Harold Grovom. Our new passenger was Hank Knick. Mrs. Florence M. Golde was our conductor.

On our last bend of grade school the following were present: Jimmy Anderson, Robert Becker, Jimmie Grovom, Clarence Hekkel, Hank Knick, Laverne Krohmer, Larry Lindberg, Eugene Olsen, James Paulson, Norma Lien, Norma Jean Mogen, Ruth Nayes, Rosemary Nelson, Helen Schlagel, Iola Westberg, and Meredith Wulf. We were all very proud of the diplomas that superintendent Teagerden presented to us.

We changed trains for the last time, as we rolled along the final stretch toward our goal. Taking roll we found the following were on board; Jimmy Anderson, Clariss Grovom, Jimmy Grovom, Irene Hanson, Clarence Hekkel, Luella Knick, Hank Knick, Merle Krogedal, Laverne Krohmer, Irene Larson, Norma Lien, Larry Lindberg, Norma Jean Mogen, Ruth Nayes, Rosemary Nelson, Eugene Olsen, Helen Schlagel, George Tipp, Iola Westberg, Meredith Wulf, Bob Becker, and James Paulson.

Our Freshman year was the peak of attendance with twenty-two members in our class. Because our class was so large, we decided to elect officers. They were as follows: President-Eugene Olson; Vice-President-Iola Westberg; Secretary-Jimmy Grovom; Treasurer-Clarence Hekkel. Miss Osta Madsen was our class Adviser. Luella Knick was selected librarian from our class for her high school years.

Some of the students did not wish to continue with us, so they stepped off the train. They were; Hank Knick, James Paulson, Merle Krogedal and Bob Becker.

Because we were the so-called "green freshies," the Sophomores initiated us as official members of the high school student body. As Freshmen, we gave the one-act play, "The Pampered Darling." Meredith Wulf was the queen candidate and Jim Grovom was the king candidate from our class for the carnival. Larry Lindberg sang a solo at Plentywood and got a rating of three, and at Culbertson he got an excellent rating. He went to the track meet at Fairview and brought back four ribbons. Clariss Grovom, Clarence Hekkel and Larry Lindberg had acting parts in the play, "Susie, the Siren," while we were Freshmen.

We jogged into our Sophomore year determined to give the Freshmen the same treatment we had received the previous year. We sweated over costumes and torturous ideas to put the freshies through. We tried to get original ideas and some of them really were. This year one of our classmates, Ruth Nayes, passed away on September 18, 1949. Irene Larson moved to Vancouver, Washington. LuAnn Mittman transferred here from Belgrade on December 22. Bob Becker rejoined the class this year. As Sophomores, we elected officers again and the results were as follows: President-Eugene Olsen; Vice-President-Jim Grovom; and Secretary-Treasurer, Clarence Hekkel. Mr. Robert Stock was our class adviser this year. Rosemary Nelson was the queen candidate from our class and Larry Lindberg was the king of the carnival this year. Helen Schlagel participated in a declamation contest at Culbertson and got a rating of good; she also went to Glendive and got a third rating.

This year Clariss Grovom became a cheerleader for the pep club.

Larry Lindberg sang solos at Glasgow and Culbertson and got rating of first and superior, respectively.

Iola Westberg gor an excellent rating as piano accompanist at Glasgow when she accompanied Larry.

Larry Lindberg had an acting part in the play, "Seventeenth Summer" and Rosemary Nelson had a part in the play, "Tiger House."

Larry Lindberg brought three ribbons back from the track meet at Fairview.

Getting closer to our destination we were wishing it would soon be over. We were Juniors now and suddenly realized that one more year would bring us to our goal of graduating Seniors. This year we found new passengers to be; Greg Wallander, Irene Larson and Allegra (Dolly) Naegeli, who came from Browning High School. We lost LuAnn Mittman, who went to Poplar to school. About the middle of the year Norma Lien left us. In our Junior year our officers were: President-Jim Grovom; Vice-President-Eugene Olsen; and Secretary Treasurer, Iola Westberg. Our class Adviser was Miss Osta Madsen. Iola Westberg was the queen of the carnival and Jim Grovom was the king candidate from our class. We honored the Seniors at a prom and banquet in the spring. The theme for our prom was "Apple Blossom Time." Our class play was a comedy, "Cheaper By The Dozen." Norma Jean Mogen was president of F.H.A. this year. Jim Grovom was a representative to Boys' State at Dillon, Montana. Clariss Grovom was cheerleader again for the second consecutive year. Larry Lindberg and Jim Grovom sang solos at Wolf Point and got a rating of two and three respectively. Iola Westberg, their accompanist, got an excellent rating. Eugene Olsen, Greg Wallander, Clarence Hekkel, and Larry Lindberg had acting parts in the play, "The Green Scarab." We all were a part of the group who gave the choral reading, "The Bells," at Culbertson. Jimmy Anderson had the misfortune of hurting his arm while hunting in the fall, and was hospitalized for several weeks, but was able to return and continue his Junior year. Tournament band participants were Rosemary Nelson, Luella Knick, and Norma Jean Mogen.

Coming in on the home stretch we were sorry to find Meredith Wulf, Irene Hanson, Luella Knick, Rosemary Nelson and Dolly Naegeli, had turned in their tickets to the depot agent and wouldn't be able to reach the final destination of graduation of the "52" class. The Seniors, realizing this was our last lap took roll and found the following aboard: Jimmy Anderson, Bob Becker, Jimmy Grovom, Clariss Grovom, Eugene Olsen, Helen Schlagel, Larry Lindberg, Norma Jean Mogen, Larry Lodmell, transfer from West Phoenix High School, Arizona, to Froid, Laverne Krohmer, George Tipp, Greg Wallander, Iola Westberg, and Clarence Hekkel. The class officers were: President-Greg Wallander; Vice-President Eugene Olsen; and Secretary-Treasurer, Iola Westberg. Our class Adviser was Mrs. Muriel Reuter.

Those participating in the band of the four years were: Jimmy Grovom, Eugene Olsen, Norma Jean Mogen, Larry Lodmell, George Tipp, Iola Westberg and Clarence Hekkel. Clariss Grovom and Norma Jean Mogen were the queen candidates for the "52" F.H.S. carnival.

The Senior class produced the play,"Foot-loose" by Charles Zuimby Burdette, April 4, 1952. The Froid basketball team won twenty-four games in the season and took second place in the district two tournament.

Jimmy Grovom ran the mile run at the Medicine Lake track meet and Larry Lindberg made thirteen points. Larry Lindberg took fourth in the javelin throw at Sidney and Larry Lodmell placed third in the high jump at the Sidney relays. Larry Lodmell, Laverne Krohmer, Bob Becker and George Tipp were delegated to the F. F. A. convention at Bozeman. Helen Schlagel, the F. H. A. president was a delegate to the F. H. A. convention at Great Falls. Iola Westberg and Norma Jean Mogen entered a Statewide commercial contest at Great Falls. Iola Westberg got honorable mention. Larry Lindberg and Jimmy Grovom sang solos at the Medicine Lake music festival. The band played at both the Plentywood and Williston festivals. The student council was organized this year. Our representatives were: Larry Lindberg and Clarence Hekkel. The officers that were elected from the Senior class were: President, Jimmy Grovom; Vice-President-Eugene Olsen; and Social Chairman, Clariss Grovom.

The Seniors finally told the conductor goodby May 29, because they had reached their destination and were graduating.

Senior Class Prophecy

Jim Anderson retired at twenty-four and lives off the interest of his cattle and oil. Living in Chicago, he makes all of the society pages and is seen escorting all the beautiful hopefuls of the nation.

Bob Becker is a great bricklayer and is building another Empire State Building in Hollywood and is getting along fine with the movie stars.

Clariss Ann Grovom is now a graduate nurse; she is supervisor of twenty men and women in Johns Hopkins Hospital in Maryland.

Jim Grovom is operating a large super-duper market at Froid and is kept busy managing his big store.

Clarence Hekkel is now the ace radio announcer for CBS and also plays solo trombone in Paul Whiteman's Orchestra.

Laverne Krohmer is head of the Ford plant in Detroit. He hasn't found the right one yet, as far as marriage is concerned, but he is still looking.

Larry Lindberg sings every Sunday with the Metropolitan Opera Company. During the week he has a program as a sports announcer.

Larry Lodmell has taken over his dad's business and has his headquarters in Phoenix. His territory includes all of the land west of the Mississippi. He does this kind of work only so that he can see all of the pretty girls.

Norma Jean Mogen is a secretary to an oil magistrate. She and the boss are planning to get married soon. They will then reside at Poplar.

Eugene Olsen is now an admiral in the Navy and is commander of the air craft carrier York Town. He is stationed at Cape Horn.

Helen Schlagel, U. N. delegate, relieved Eleanor Roosevelt, and her husband will run for President next election.

George Tipp is a construction engineer; he is building a bridge across the Atlantic Ocean.

Greg Wallander is now president of Harvard College; he always said that he'd be president if he ever got time.

Iola Westberg is a Power's model and is engaged to be married to a millionaire oil magistrate.

Seniors In Verse

Smiling Jimmy Anderson is foremost on our list,
A boy filled full with devilment, who dearly loves to jest.
His car proved such a worthy one, and traveled round about.
We loved that lad at all the games, encouragement to shout.

Now Bobby Becker here he comes, the tall one of the class.
A lad who's grand in stature and quite capable at tasks.
Drum major's post he dignified and still somehow looked cute.
The eminence of majesty in his drum majors suit.

Cheerleader, Clariss Grovom is our bright and smiling lass.
Her job to lead in cheers and song our sports enthusiasts.
When Froid goes to the tournaments--the trophy dear to capture
The boys it seems of other teams, their hearts she does enrapture.

James Grovom, too, is in our class; his talents--they are many.
At basketball and football, too he's just as good as any.
His singing voice has won for him renown and commendation.
After school--a storekeeper, a worthy occuaption.

Our boy, Clarence Hekkel, tall and dark, and almost always joking.
This handsome lad's expressions are to us quite laugh provoking.
One day in class he did come forth with brilliant wittiscism.
Then teacher said, "Now let's proceed, we've had our Hekkelism."

An athlete worthy of the name, our boy, Laverne Krohmer
Adept at touchdowns, basketball, and even hitting homers!
A whizz with tools, he has, indeed, mechanical inclinations.
We won't forget his Chevie car sprouting ornamentations.

Larry Lindberg, versatile in drama, voice, and sports.
In games when foe was mightiest he oftimes held the fort.
With girls he seemed to have a way of starting up flirtations.
(This habit now and then evolved in comic situations.)

Now Larry Lodmell, big of frame and bigger still of heart
Joined with us in our Senior year, but played a mightly part.
He offers cheery comfort when your spirits let you down.
An all-round friend in time of need, we're glad he's been around.

Norma Jean Mogen, bless her heart, fair maiden and reserved.
The rest of us might rant and rave, she rarely grew pertrubed.
She helped us all most earnestly, both competent and willing.
Remarkable for quietude, if not for top star billing.

Olsen we call him, tho--the first name is Eugene.
At work or sports or pleasure he is always on the beam.
If you need help when things around are going kinda rough,
Just call on "Olsen"--he's the boy. Sure Olsen's got the stuff!

Helen Schlagel worked with us and studied all the books.
She took the lunch names everyday--counts noses for the cooks..
In jobs or duties all the way--no one is any wiser.
They'll miss this gal when she is gone, one and all we prize her.

George Tipp was with us thru the years, a handy man indeed
He always found some work to do just where there was a need.
When movies were the bill of fare, he was the engineer.
That boy has got the old "know how" to move right on from here.

Iola Westberg is the kind to bind the class together.
I don't know what we'd do without her help in stormy weather.
She worked long hours for class and school, we know when we vacate
Her friendship we'll still hold most dear, our energetic classmate.

Now that you've suffered long and hard and read this to the end.
I hope there's none offended, and you still call me your friend.
For in truth and all humility it's now I must confess.
My name is Gregory Wallander, and, yes, I wrote this mess.

Class Song

(Tune: Harbor Lights)

The time is drawing near
Our day of Alpha and Omega
The end of things held dear
Of joys that now must pass.

Fond memories will cling
Of these our halls of greater learning;
The class room bells will ring
But we'll be far away.

The road ahead may hold but happiness and song
If sorrow comes to us, pray that we may be strong.

Low roads or dizzy heights
Our school in careful preparation
Has given us a light
To guide us on our way.

Gone are the carefree days
Such fun as giving our class plays,
In sports we tried our best
To triumph o'er the rest.

Spring festivals and contests were enjoyed each year.
And memories of the carnivals will be so dear.

Now as we graduate Thursday, May twenty-ninth's the date
We wish to bid farewell
To all; you've been so swell.

Class Will

We, the Senior Class of 1952, have arrived at the fork in the road where we must part. We must leave behind us all those happy school days and all of our friends and classmates with whom those wonderful days were spent. Therefore, being of sound mind and body, we do solemnly declare and publish this, our last will and testament, in the order that follows:

To the Juniors, we do will our honored place as Seniors, also our "sophistication," some of it at least; they really need it.

.To the Sophomores, we will our ability to argue a point in class, also we will to them our punctuality; remember, Sophies, don't put off until tomorrow what can be done today.

To the Freshmen, we will our ability to get through high school in four years. Good luck, Freshies!

I, Jim Anderson, gladly will my ability to hold my temper to Keith Coats and Corinne Christofferson, my smiling disposition to Fritz Wulf. I also, woefully, leave my cowboy boots with Margaret Ryder; they might be a little big but I hope you can grow into them.

I, Bob Becker, woefully leave my height to Romain Ryder, and gladly leave my big feet to Marlene Coats; of course, I don't imagine she "wants" them.

I, Clariss Grovom, regretfully leave my place as cheerleader to Violet Sundvold; to Mary Ann Becker I transmit my friendly smile; my dark hair I will to Sally Knick and maybe she can give some of it to Leona Luebke.

I, Jim Grovom, solemnly leave my football uniform to Dennis Paulson--I just wonder if it's going to fit?--Also I leave my musical talents to Beverly Peterson and in graciousness I will my car to Donna Arvidson; it looks so muck like Cottons.

I, Clarence Hekkel, thoughtfully leave my comedian ways to my sister, Adeline; my dark wavy hair and dark complexion to Bernadene Krogedal and my brown eyes to Oliver Urdahl; they should go "kind of" nice with your hair, Oliver?

I, Laverne Krohmer, gladly will my title of fastest eater to Pat Sullivan; to my brother, Jerry, I bequeath my car, and my forward spot on the team I leave to Carl Nelson.

I, Larry Lindberg, do will my "manly physique" to Jimmy Westberg; do you think you can grow into it, Jim? To Anna Luft, I will my ability to bluff my way out of things and to Lorin Kveseth, I leave my curly hair.

I, Larry Lodmell, out of pity, leave my ability to get along with the Brockton girls to Carl Nelson and to Duane Olson, I leave my interest in that certain tall Junior girl, not mentioning any names, but she's the daughter of one of the town grocers.

I, Norma Jean Mogen, hopefully leave my neatness to Billy Eschenbacher, and my typing ability to Lorin Kveseth. I also will my quiet disposition to Roger Grovom; get the "hint" Roger? Doris Berg might be able to use my very blonde hair, to attract those "Lake" boys.

I, Eugene Olsen, gladly will my jolly disposition to Judy Reiter, and my knack of getting by with pestering the girls in class, I leave to Freddie Tobiason; I also bequeath Emma Lue Grovom to the school so that she can spend full time working on the mimeoscope and practicing her clarinet.

I, Helen Schlagel, do bequeath my rosy cheeks to Delores Luft; I will my ability to keep the hot lunch roll in order to Connie Bergh and my ability to make a hit with the bell-boys to Marjorie Anderson.

I, George Tipp,conscientiously leave my job of operating the movie projector to Harlow Strandlund; remember to handle it with care, Harlow. To Gordon Krogedal, I bequeath my ingenious mind, and my wavy hair I will to Carl Nelson.

I, Greg Wallander, dutifully bequeath my job of operating the mimeograph machine to Keith Coats, my quick, witty answers to Lloyd Mogen, and my vocabulary to Shirley Scott. Now you won't have to work so hard in history, Shirley!

I, Iola Westberg, leave to Joyce Sundheim, my small features, and my "height" to Ivell Ryder, also I will my musical talents to Eva Joy Triplett. I will to Doris Glaze and Naoma Buckendahl my punctual habit of getting to school every day and remaining until after 4:00 P. M.

We, the Senior boys, do will our ability to get our own way in class to the Junior boys. You've just got to stand up for your own rights, boys!

We, the Senior girls, do will our knack of getting "around" the boys, without their knowing it, to the Sophomores. It's that certain charm, girls!

Student Council

The Froid High School organized a Student Council with Miss Osta Madsen as their sponsor. The idea is not a new one in that Froid had one several years ago. The purpose of this council is to create an atmosphere similar to that of our democratic society. Officers for this year's Student Council were: President-Jimmy Grovom, Vice-President-Eugene Olsen, Secretary & Treasurer-Ivell Ryder. The social chairman was Clariss Ann Grovom. Other members of the Student Council included the following two representatives from each class: Seniors- Clarence Hekkel and Larry Lindberg; Juniors-Emma Lue Grovom and Corrine Christoffersen; Sophomores-Oliver Urdahl and Judy Reiter; Freshmen-Dennis Paulson and Marjorie Anderson.

Throughout the year the council sponsored several parties after basketball games for visiting players and students. Another idea which originated in a Student Council meeting was the spring house cleaning of the classrooms. This year was just the beginning, but next year we will be ready to go full speed ahead.

Future Farmers of America

Froid High has resumed having F. F. A. again this year. At the first of the year Culbertson came and initiated the boys. Shortly after the initiation the officers were elected. The officers were as follows: President-Laverne Krohmer; Vice-President-Larry Lodmell; Secretary-Farrell Wulf; Treasurer-Dennis Paulson; Reporter-Romain Ryder; Sentinel-Robert Becker; and Adviser, John Bugli. Robert Becker was not a member as of yet, so Carl Nelson was in his station.

During the first part of February, the boys went to Holger Christoffersen's farm and judged his cattle. The boys were trying to learn something about judging in preparation for the district convention in Bainville and the state convention in Bozeman. At Bainville they took second in livestock judging. Those that were lucky enough to get to go to Bozeman were Laverne Krohmer, Larry Lodmell, Bob Becker, Lorin Kveseth, and George Tipp, Jr. The Adviser, John Bugli, accompanied the boys to Bozeman.

The boys took up a collection for the March of Dimes at the Richey basketball game and took in $37.77. They had a bake sale, so that they could raise enough money to pay part of their expenses to Bozeman and took in $108.35.

On May 15, the boys had their election of new officers for the coming year. The following were elected: President-Dennis Paulson; Vice-President-Lorin Kveseth; Treasurer-Carl Nelson; Secretary-Jim Westberg; Reporter-Jerome Krohmer; Sentinel-Farrell Wulf; and Adviser, John Bugli.

BACK ROW: Bernadene Krogedal, Shirley Scott, Adeline Hekkel, Mary Becker, Connie Bergh, Corinne Christoffersen, Helen Schlagel, Joyce Sundheim, Marjorie Anderson, and Margaret Ryder.

Future Homemakers of America

The Froid F.H.A. Chapter had its first meeting of the year on September 19, 1951 at 8 P.M. Norma Jean Mogen, 1950-'51 President, called the meeting to order. The following officers were elected: Luella Knick-President; Helen Schlagel-Vice-President; Sally Knick-Secretary; Leona Luebke-Treasurer; Marlene Coats-Reporter; Doris Glaze-Parliamentarian; Margaret Ryder-Historian; and Naoma Bickendahl-Song Leader. Helen Schlagel became President after Luella Knick dropped out of school.

It was decided to have the same chapter mothers as last year. They are: Mrs. Ed Mogen and Mrs. Gottlieb Luft.

A candlelighting ceremony was held for installation of officers and initiation of new members on September 25, 1951, at 7:30 P.M.

The first and third Wednesdays of each month were set aside for meeting dates.

Several of the girls went to the district meeting at Medicine Lake on September 29, 1951. Helen Schlagel, Marjorie Anderson, Marlene Coats, Violet Sundvold, Miss Lindstrom, and Mrs. Ed Mogen attended the state convention in Great Falls, April 16-20, 1952.

The organization sponsored two teas for the girls' mothers, and a barn dance for the girls and their escorts.

The various money making methods used by the group were selling hot dogs and pop during football games, selling lunches for dances, serving banquets and a bake sale. The group also made pot holders.

Our Hot Lunch Program

A new hot lunch room was built this year by the Montana Builders. The building, which includes a dining room, kitchen, storeroom, and lavatory is 58' x 29'; the dining room is 28' x 46'. The building is heated by the central plant from the main building with fluorescent lights making up the lighting system. The entrance from the main building is 10 feet wide, and there is also an outside entrance into the kitchen to bring in the supplies.

The P. T. A. purchased a new four quart Kitchen Aid mixer, and they plan to buy dark curtains for the dining room, so that it can be used for audio-visual aids. A new Frigidaire was installed on March 31 by the International Harvester Company.

Mrs. Jens Svendsen and Mrs. Agnes Kveseth were the cooks who served the many good meals every day to approximately one hundred and fifty hungry mouths.

Junior Play

The Junior class staged their play, "Pride and Prejudice," based on the famous novel by Jane Austen, on Friday, November 16, before a large and appreciative audience.

Every member of the cast gave an outstanding performance. Those starring were: Mrs. Bennett (Shirley Scott;) Jane, (Ivell Ryder;) Elizabeth, (Doris Bergh;) Mary, (Emma Lue Grovom;) Catherine, (Donna Arvidson;) Lydia, (Pat Sullivan;) Mr. Bennett, (Greg Wallander;) Mr. Collins, (Eugene Olson;) Lady Lucas, (Bernadene Krogedal;) Charlotte Lucas, (Corinne Christoffersen;) Miss Bingley, (Leona Luebke;) Mr. Bingley, (Larry Lindberg;) Mr. Darcy, (Keith Coats;) Lady Catherine de Bourgh, (Eva Joy Triplett;) Mr. Wickham, (Lorin Kveseth;) Hill, (Jim Grovom.) The Juniors borrowed four Seniors and one Sophomore for their play.

The story was about a frivolous mother who was bound and determined to marry off her five daughters. Her husband, Mr. Bennett, did not exactly appreciate his wife's efforts and got quite disgusted at times. Mr. Collins, a clergyman who came to find himself a wife, was quite overpowering in his manner, and finally married Charlotte Lucas. Mr. Darcy, a very haughty young man, who thought himself a little better than the average, married Miss Elizabeth and Mr. Bingley, the handsome young gentleman, married Miss Jane. Mr. Wickham, a villainous young officer, was the cause of trouble which was soon cleared up, and then he married Lydia. The whole plot ended quite well.

The play, which was very capably directed by Miss Osta Madsen, made a gross of $124.75. Miss Madsen received a sterling silver gravy ladle in her pattern as a gift from the class.

Senior Play

"Foot-Loose" the Senior class play, was presented to the public on Friday, April 4, 1952. This hilarious three-act comedy was well received by the people and drew many fine comments.

The story concerned a family of young people whose parents had gone on a world cruise, leaving the younger generation in charge of the household. The ensuing events were endlessly funny, but still typical of the problems of many teen-agers.

The cast consisted of Richard Early, vice-president of a suburban bank, Greg Wallander; Emily Early, his wife, Shirley Scott; Hope Early, their daughter, Clariss Grovom; Dick Early, their son, Eugene Olsen, Mary Early, their adolescent daughter, Iola Westberg, Bob Early, their adolescent son, clarence Hekkel; Buzz Daily, Bob's wise cracking chum, Bob Becker, Randy Cunninghan, Mary's special friend, Jim Grovom, Jenny Malloy, Dick's sweetheart, Norma Jean Mogen; Miriam Walker, Mary's girlfriend, Beverly Peterson; Jack Milford, a student at college, Larry Lindberg; Sanford Wells, a young attorney, Larry Lodmell; Mrs. Forester, a cranky old widow, Mary Ann Becker.

Entertainment was provided by a boys' sextet-Larry Lodmell, Larry Lindberg, Jimmy Grovom, Clarence Hekkel, Greg Wallander, and Eugene Olsen.

In appreciation of Miss Madsen's efforts in directing the play, the Seniors presented her with a mixed bouquet.

The play was well attended and netted a total of $147.85. The Junior class served lunch in the hot lunch room after the play.

P. T. A. Play

The P.T.A. gave their third annual play Saturday, February 16, in the Froid Gymnasium. The play "Look Me In The Eye." a lively honeymoon farce in three-acts, was a big hit, as all of the past P.T.A. plays have been.

The well chosen cast was as follows:

Susie Smithers	Nita Fjeseth
Gideon Gumm	Slim Christofferson
Levice McLaurin	Minnie Quammen
Kenneth McLaurin	Warren Christofferson
Pernicious Peters	Reverend Emswiler
Anemia Peters	Mary Loucks
Francine Hoyt	Flo Priebe
Russell Logan	John Bugli
Professor Paxton	John Meehl
Rosita Gondelez	Betty Barrington
Sappington Tuppy	Robert Stock
Tabitha Todd	Esther Bengston

Between the first and second acts Larry Lindberg sang, "Trees," and after the second act Gary Wulf sang, "Slow Poke" and "Cold Cold Heart." All of these musical numbers were greatly enjoyed by the audience.

The gross amount taken in was $221.45. The Senior class sold lunch following the play in the old hot lunch room.

All School Carnival

Froid School's fourth annual Fall Carnival was held on Saturday, November 3, 1951.

The evening's entertainment consisted of floor shows in high school and grade rooms, boxing, basketball throw, darts, bingo, cake walk, and many other similar concessions.

The coronation climax came at 12:30 when Ivell Ryder of the Junior class was crowned carnival queen. The runners-up were in order: Clariss Ann Grovom, Norma Jean Mogen and Eva Joy Triplett.

Following the coronation, the carnival queen drew tickets for the lucky winners. Door prizes were won by: Don Forsyth of Culbertson, a quarter of beef; Martin Hegseth of Williston, the silverware set; Melvin Tobiason of Froid, the traveling alarm clock. Queen ticket prize (a carving set) was won by Eddie Nelson of Homestead. Wlater Scott of Froid won the huge box of groceries.

A dance completed the evening with Herb Hicks and his orchestra of Williston furnishing the music.

The gross receipts of the carnival totaled $2, 350.67 and the net total was $1, 710.75.

Spring Festivals

The Froid School music department, under the direction of Superintendent G. N Anderson, has had a very successful year.

The band attended the Northeast District State Festival in Plentywood, Saturday, April 26. The selections they played were "Merry Men" and "Two Moods."

On Saturday, May 17, the band traveled to Williston, North Dakota, to attend the 22nd Annual Band Festival. Highlights of the day were the parade in which thirty bands participated, afternoon concerts by these bands, the canteen with all the free hot dogs and pop, and then the day was concluded with a concert from the guest band of Concorda College.

The high school chorus accompanied by Superintendent Anderson attended the annual Northeast District 7 State Music Festival in Medicine Lake on Friday, May 9. The same day, solos were sung by Larry Lindberg singing, "The Lord's Prayer" and Jimmy Grovom singing "Without a Song." Both numbers were accompanied by Iola Westberg.

The Freshman class under the direction of Miss Osta Madsen journeyed to Culbertson May 7, where they gave a choral reading of "The Highwayman."

Two Freshmen girls and Miss Madsen traveled to Missoula othe week end of May 17, to attend Interscholastic. The two girls, Mary Ann Becker and Anna Marie Luft, gave declamations while there.

Iola Westberg and Norma Jean Mogen represented the Froid High School Commercial department when they entered the State Typing Contest in Great Falls Friday, April 18. Iola received honorable mention in the contest.

Senior Sneak Day

Where's my suit case? What the dickens did I do with my camera? Now where do you suppose they're going with the car? Oh darn, I forgot my toothbrush. Do you think anyone knows where we're going? Well, we're off.

With such expressions of excitement and confusion, eleven Seniors and their adviser, Mrs. Reuter, left on sneak day, Saturday, April 26.

We made a short stop in Williston for minor adjustments to cars; and then continued on our merry way First stop was at an oil test well along the road. We all marveled at the height of the derrick, and wondered at the probability of such a thing coming to our community.

The group was particularly impressed with the great size of the derrick. We felt quite dwarfed beside the monstrosity.

On the road once more, we made quick side trips into Tioga and Stanley, ant then were on our way to Minot.

After registering at the Leland-Parker hotel, the evening's activities included dancing for some, while others went to movies. We all "turned in" at a reasonable hour in order to be prepared for the next day.

Seemingly the early dawn of Sunday morning was disturbed by Clariss Grovom, who took it upon herself to awaken everybody at ridiculous hours throughout the trip. Her only recreation seemed to rest in waking others from pleasant slumber merely to announce that in several hours it would be time for breakfast.

After breakfast Sunday morning, we went on tour of the college in Minot; the most interesting part of the tour was a thorough inspection of the new gym. This building was really marvelous, both in structure and efficiency. The main floor was large and very impressive, while in other parts of the building were rooms nearly as large as our gym.

After concluding this tour, we left Minot for Bismarck and saw the radar station which is located about twenty miles south of Minot. We made a trip to the Garrison Dam, which when completed will be the largest earth filled dam in the world. The view of the dam site was not very impressive, due to the distance to the dam from the observation point. However, we could pull the dam up to our noses while looking through the telescopes provided at the "Lookout." After a pleasant stop in Riverdale, a government owned town, we rolled on to Bismarck.

Arriving in Bismarck, we changed our method of lodging by checking in at the Bismarck Motel for a brief rest before seeking entertainment for the evening. We were now ready to eat, which we proceeded to do in grand style. Steak seemed to be the mainstay of the boys' diet, while the girls stuck to the dainty sandwiches that seemed to complete their diet.

Three of the boys seemed to feel extremely hungry, as they commenced to show off their eating powers by devouring two generous size steaks in one sitting. Poor souls!

Following the evening meal we attended a show. After the show, we drove around, and then went back to the motel.

The next day, Monday, we inspected the North Dakota State Capitol building, which proved to be a very interesting tour. The building has structural characteristics not seen anywhere else in the United States, including natural wood from nearly every country in the world. On the same location we visited the Historical Museum, which had some very remarkable displays. We also looked at Theodore Roosevelt's log cabin; the next tour was conducted within the rather confining walls of North Dakota State Penitentiary. We looked at the cell blocks, twine factory, license factory, and recreational facilities of that institution. One of the inmates gave the girls clever souvenirs, and assured Helen Schlagel that he had known her or seen her before. Leaving the pen, we were all glad that we didn't have to make an extended visit. On conclusion of touring the penitentiary, we went our respective ways on shopping escapades.

In the evening, we ate as a group and all went to a show. After the show we split into two carloads and tried to find a dance. The two cars became separated in traffic and the group did not get together again that evening. Comparing notes the next morning, the highlights of the previous evening seemed to be Larry Lindberg's singing with an orchestra, and Clariss Grovom consuming a quart of ice cream by herself. Clariss hasn't been quite right since.

In the morning we left Bismarck and started homeward. On the drive over to Mandan, we saw a little of the damage which was a result of the flood earlier this spring. We visited the Richardton Abbey, in Richardton, North Dakota. We then had dinner in Dickinson. Cruising homeward, we stopped at de Mores Chateau in Medora. De Mores was a very rich Frenchman who had started a meat packing plant in Medora. The tour of this French nobleman's house proved enlightening and educational.

From here we drove steadily toward Froid, stopping in Sidney for supper, and arriving in Froid about 9:00 P. M.

The trip was definitely a success. It struck a happy medium as to distance. We were pleasantly tired, but not exhausted. Accomodations were splendid throughout the trip and we enjoyed ourselves immensely.

Look nice, boys!

Look at the birdie!

KNEELING: Laverne Krohmer, Keith Coats, Oliver Urdahl, Greg Wallander, Jerry Krohmer, Jim Grovom, and Farrell Wulf.

Football

Coach Solga's call for Football material brought forth fourteen boys. About two weeks were spent in drilling the squad before the first game. In the first regular game, the team lined up with the following men holding down regular positions: Co-captain Greg Wallander, quarterback;co-captain-Laverne Krohmer, halfback;Larry Lindberg, fullback; Keith Coats, end; Jim Grovom, end; and Eugene Olsen, center. A resume of the games follows:

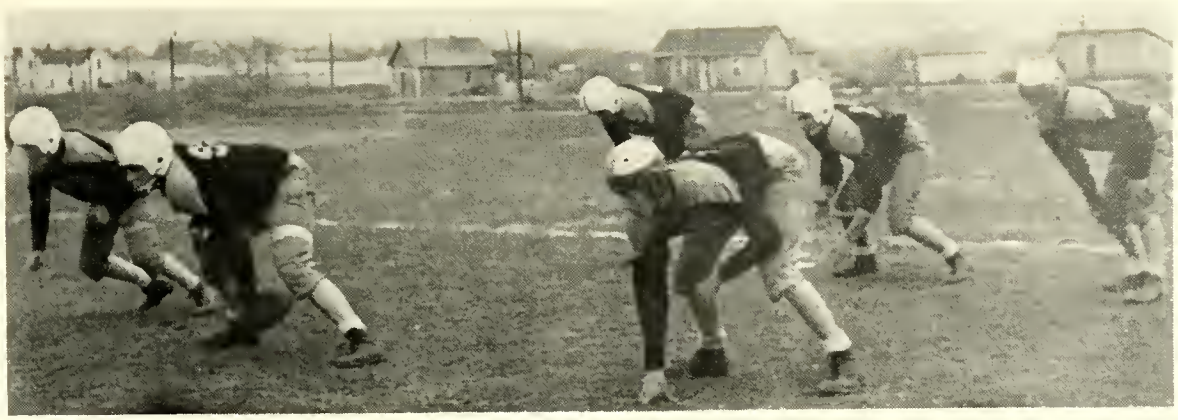
September 14--Froid 25; Flaxville 6. In their opening gridiron battle, the Cardinals showed much promise as they easily whipped the Flaxville Cardinals much heavier six. Froid flew to a 12 to 0 halftime lead, with Lindberg scoring in each quarter. The second half found Flaxville with renewed spirit, as Weber drove for a touchdown. The Cards came back with Krohmer pulling down a pass from Lindberg, and sprinting 45 yards for the tally. Lindberg came through with an additional touchdown and carried for the extra point to ice the game for the Cards.

September 21--Medicine Lake 42; Froid 37. After a hard fought, free scoring game, Froid had to face their first defeat at the hands of the Medicine Lake Honkers. The game found Krohmer, Lindberg, Paulson and Coats socring for the Cards. Wallander left the ball game in the third quarter, due to an eye injury.

September 28--Poplar 75; Froid 6. Poplar battered Froid in a one-sided affair by ripping through the bewildered Froid six for an incredible 75 points. Keith Coats scored for Froids only tally. Lindberg received a bad cut above the eye early in the first quarter, and had to leave the game for medical attention.

October 12--Froid 51; Brockton 40. The Cards felled the Brockton Warriors in a wild scoring race, that saw Lindberg and Krohmer lead the Froid team to victory with Larry scoring 30 points and Laverne tallying 18. The game had to be called in the late stages, because Brockton was unable to field six men, due to injuries. Keith Coats pulled down passes for three extra points.

October 19--Froid 24; Culbertson 8. Froid won their last game of the season by tromping the Culbertson Cowboys 24-8. Culbertson began fast by scoring a first quarter touchdown and booting the extra points for a nifty beginning. Froid quickly came back, with Krohmer scoring three times and Lindberg once, to bring victory to the Cards.



LINE: Coats, Olsen and Grovom. BACKFIELD: Krohmer, Lindberg, and Wallander.

BACK ROW: Jim Grovom, Dennis Paulson, Larry Lodmell, Larry Lindberg, and Farrell Wulf.
FRONT ROW: Keith Coats, Duane Olson, and Greg Wallander.

Track

Training for Track was a difficult task as track season is concurrent with spring work. Nevertheless, the Froid team was able to attend two meets, though not in full force.

The first of these meets was the Medicine Lake Invitational, where Froid placed second with 42 points, seven points behind first place Medicine Lake with 49 points. Larry Lindberg was high point man for Froid with 13 points. The highlight of the meet was Jim Grovom's sparkling performance in winning first place in the mile run. This was even more remarkable because Jim had never come out for track.

Several Froid boys participated in the Sidney Relays. The only point winners were: Larry Lindberg with fourth in the javelin, and Larry Lodmell, placing third in the high jump.

Basketball Team Standings

The Froid Cardinals started their Basketball season with the Invitational Tournament which was held in Antelope. Froid's first game was against Medicine Lake with the final score of Froid 53 and Medicine Lake 47. Froid's second game, which was the final game of the tournament, was between Froid and Antelope with the Pronghorns coming out on top with a final score of 51 to 43.

The Cardinals entered the District II Class C Tournament at Culbertson with a seasonal record of 21 wins and 6 losses. The first night the Cards won over Bainville 59 to 44. The second night Froid defeated the Savage Warriors 47 to 38 for the right to play Culbertson in the Championship finals, but the Culbertson Cowboys were the victors by a score of 50 to 40.
